

Exotic cat society china

Since the supplies of our original china have now run out,
we have purchased some new items.

We have three different fine china mugs of varying sizes,
also a round trinket box, very useful for keeping small items that are liable to get lost,
and also the old favourite the teabag tidy, which can be used for putting spoons etc. on
so they don't make a mess on the worktops.

The 'Trent' fine china mug is the largest, tall and slender but holds a good size drink.
Price: £3-25

On the left, the 'Topaze' fine china mug is the middle sized of the three.
Price: £2-95

On the right, the 'Devon' fine china mug is slightly smaller, ideal if you don't like too
much to drink at a time.

Price: £2-75

The 'Trinket' or 'pill' box on the left.

Price: £2-55

The 'Teabag' Tidy on the right.

Price: £2-20

Plus postage or I can bring any items to a show for you.

They would all make a lovely present, whether for a birthday, Christmas or just as a 'thank-you' gift. Why not treat yourself or someone else today.
